Meeting Spotlight:

This month meeting spotlight brings us to Keyport New Jersey with a meeting called "Rush of Recovery". This meeting only started on November 3rd of last year but has become quite popular, with a typical attendance of 35 to 45 people. A speaker discussion meeting which peaked to 65 people its third week, reserves every last Monday of the month for anniversaries. You can find "Rush of Recovery" meeting every Monday at 7:30pm, at the Gethsemane Lutheran Church (60 Maple Place, Keyport, NJ 07735).

If you believe your meeting deserves a spotlight in the HAWWS Bulletin, please contact us at haworldbulletin@gmail.com

A message from the HA World Services Convention Committee:

After the great success we had with the first World Convention in Scottsdale, AZ, we have received many requests for future conventions. Multiple cities have volunteered to have their group host the second HA World Convention. Due to this request, we have created guidelines and an application so that interested areas can "bid" to be the next city to host a convention. We have done our best to take examples from other successful groups and those more experienced than us, to put together these guidelines and the application, but we realize that it may need some tweaking as we gain our own experience. Please consider these guidelines and application as official, however we welcome suggestions or constructive criticism of their content. Feel free to contact us at haconvention@gmail.com
