STATEMENT OF PURPOSE: From H.A. Manual (reflecting revisions as 09/06)

The purpose of the WSC Conference Committee is to organize the World Service Conference, which includes:

- A) Hotel site selection and negotiation;
- B) Preparation of the agenda;
- C) Preparation and review of the minutes from each Conference for distribution;
- D) Compile the Delegates packets; and
- E) Develop policies and procedures for the conference.

The WSOB and its Board of Director are responsible for negotiations of contracts related to the Statement of Purpose of the Conference Committee. This includes WSC hotel contracts and taping contracts, which will be coordinated with the Conference Committee.

A subcommittee of the Conference Committee also serves as a Credentials Committee. This committee reviews all petitions to the WSC for Area recognition, as well as the Delegate Credential forms.

A subcommittee of the Conference Committee also serves as a Conference Coordination subcommittee. This subcommittee assists in all aspects of Conference planning. The Conference Coordinator shall chair this subcommittee. The Administrative Coordinator shall serve on this sub-committee. The Conference Coordinator is responsible to the Conference Committee and the Conference as a whole for meeting the requirements of the statement of purpose of the Conference Committee. The Conference Coordinator shall not be a voting member of the Conference. The term of service begins with the end of the Conference during which he/she is selected and ending at the end of the second successive Conference.

ADDITIONAL FUNCTIONS OF THE COMMITTEE

A subcommittee of the Conference Committee also serves throughout the year as the WSC Mailings Review subcommittee. The subcommittee will consist of an Advisor, a WSOB Director and one other member of the Conference Committee that is not a member of the WSOB. The other member should meet the same minimum requirements as a delegate even if that person is not a delegate. It is suggested that a Conference Officer serve in the capacity as the other member whenever geographically feasible.

The Review subcommittee is tasked with reviewing all materials submitted by members (voting or not) for dissemination to the World Service Conference members via a regular or special mailing.

This task is not to interfere with The World Service Office checking procedures with regard to updated manuals and guidelines. The Review subcommittee is to look at all materials from members to ensure that the HA Twelve Concepts and Conference Charter are adhered to. In addition, the subcommittee will also look to the Traditions for guidance when reviewing the materials. The subcommittee should look specifically for those materials which violate the 10th Tradition and the General Warranties contained in the Twelfth Concept but they are not to exclude the other Concepts or Traditions from consideration.

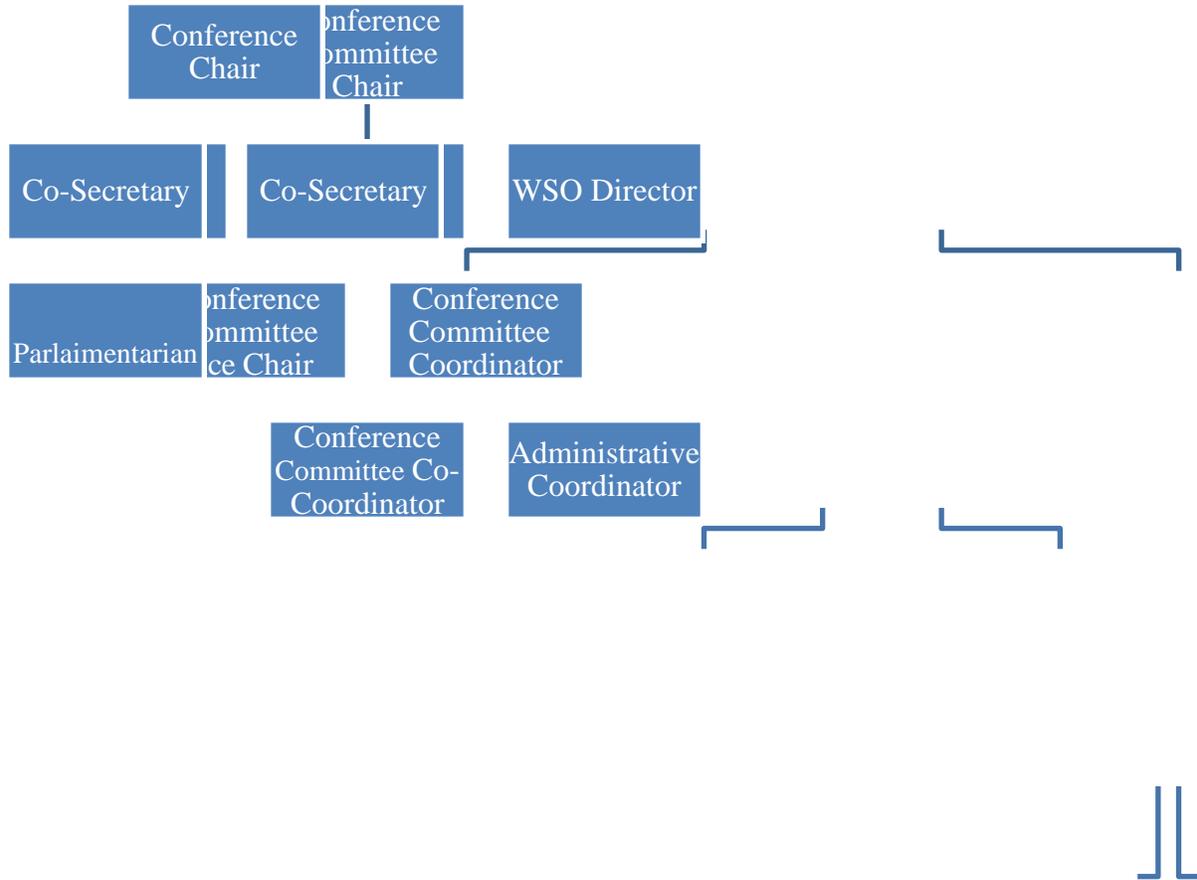

The Review subcommittee is not a censorship body. Therefore, the subcommittee will contact the member submitting information that the subcommittee believes is inappropriate and discuss the matter with the member. If no resolution can be reached the subcommittee may elect, by majority vote, to withhold an item or items from a mailing. The subcommittee must contact the member in writing and advise the member why the material was withheld. Nothing in this portion of the guidelines precludes the member from appealing the decision of the subcommittee to the full Conference Committee or the WSC as a whole.

Another of the responsibilities of the Conference Committee is to ensure that all credentials for the Delegates and other voting members of the Conference are correct and remain so throughout the course of the Conference. The Conference Committee works closely with the WSO in conducting this credentialing process throughout the year and at the Conference. The Conference Committee has developed a set of forms for each Delegate or Alternate Delegate to complete. It is the Delegates/Alternate Delegates' along with the Area's responsibility to provide all the requested information, and file these credentials in a timely manner with the WSO. There is a form allowing a Delegate to proxy his or her vote to another Delegate if necessary. At the actual Conference, each Delegate/Alternate and other voting Conference members must register upon arrival and verify their credentials for completeness and accuracy.
