## **A DEFINITION OF “HEROIN ANONYMOUS”**

Heroin Anonymous is a fellowship of recovering addicts throughout the World. The following definition of “Heroin Anonymous” is found in our Fellowship’s literature and is often read at meetings of H.A.:

“Heroin Anonymous is a non-profit fellowship of men and women who have found a solution to heroin addiction HA is a fellowship of complete abstinence from all drugs and alcohol. We are recovered heroin addicts who meet regularly to help each other stay sober. The only requirement for membership is a desire to stop suffering from heroin addiction. There are no dues or fees for HA membership. HA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy and neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other heroin addicts to achieve sobriety.” \*

We use the Twelve Steps of Recovery, because it has already been proven that the Twelve Step recovery program works.”

## THE TWELVE STEPS OF HEROIN ANONYMOUS

1. We admitted we were powerless over heroin – that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, as we understood Him.
4. Made a searching and fearless inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to heroin addicts, and to practice these principles in all our affairs.

<sup>1</sup> THE TWELVE STEPS OF ALCOHOLICS ANONYMOUS: 1. We admitted we were powerless over alcohol– that our lives had become unmanageable. 2. Came to believe that a Power greater than ourselves could restore us to sanity. 3. Made a decision to turn our will and our lives over to the care of God, as we understood Him. 4. Made a searching and fearless moral inventory of ourselves. 5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs. 6. Were entirely ready to have God remove all these defects of character. 7. Humbly asked Him to remove our shortcomings. 8. Made a list of all persons we had harmed, and became willing to make amends to them all. 9. Made direct amends to such people wherever possible, except when to do so would injure them or others. 10. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs

## THE TWELVE TRADITIONS OF HEROIN ANONYMOUS

1. Our common welfare should come first; personal recovery depends upon H.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for H.A. membership is a desire to stop suffering from heroin addiction.
4. Each group should be autonomous, except in matters affecting other groups or H.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the heroin addict who still suffers.
6. A H.A. group ought never endorse, finance or lend the H.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every H.A. group ought to be fully self-supporting, declining outside contributions.
8. Heroin Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. H.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Heroin Anonymous has no opinion on outside issues; hence the H.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, television, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

<sup>2</sup> THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS: 1. Our common welfare should come first; personal recovery depends upon A.A. unity. 2. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

## THE TWELVE CONCEPTS

1. The final responsibility and the ultimate authority for H.A. World Services should always reside in the collective conscience of our whole Fellowship.
2. The H.A. Groups delegate to the World Service Conference the complete authority for the active maintenance of our world services and thereby make the Conference — excepting for any change in the Twelve Traditions — the actual voice and the effective conscience for our whole Fellowship.
3. As a traditional means of creating and maintaining a clearly defined working relation between the Groups, the Conference, the World Service Office Board and its service corporation, staffs, and committees, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional “Right of Decision.”
4. Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our World Service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.
6. On behalf of H.A. as a whole, our World Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the World Service Board of Heroin Anonymous.
7. The Conference recognizes that the Charter and the Bylaws of the World Service Board are legal instruments; It is further understood that the Conference Charter itself is not a legal document; that it relies instead upon the force of tradition and the power of the H.A. purse for its final effectiveness.
8. The WSOB acts in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the WSOB is mainly that of custodial oversight which they exercise through their ability to elect all Directors of these entities.
9. Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety.
10. Every service responsibility should be matched by an equal service authority — the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.
11. While the WSOB holds final responsibility for H.A.'s world service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the system of their rotation, the way in which

they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious care and concern.

12. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the H.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that the sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Heroin Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Heroin Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

*\*The Twelve Concepts are reprinted and adapted with permission of Alcoholics Anonymous World Services, Inc. Permission to reprint and adapt the Twelve Concepts does not mean that A.A. is affiliated with this program. A.A. is a program of recovery from alcoholism. Use of the Concepts in connection with program and activities, which are patterned after A.A. but which address other problems, does not imply otherwise. <sup>1</sup>*

<sup>3</sup> THE TWELVE CONCEPTS OF ALCOHOLICS ANONYMOUS: 1. Final responsibility and ultimate authority for A.A. world services shall always reside in the collective conscience of our whole Fellowship. 2. The General Service Conference of A.A. has become, for nearly every practical purpose, the actual voice and the effective conscience for our whole Society in its world affairs. 3. To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporation, staffs, committees, and executives with traditional "Right of Decision." 4. At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing voting representation in reasonable proportion to the responsibility that each must discharge. 5. Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration. 6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised primarily by the trustee members of the Conference acting as the General Service Board. 7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct all of the world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness. 8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities. 9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustee. 10. Every service responsibility should be matched by an equal service authority, with the scope of such authority always well defined. 11. The Trustees should always have the best possible committees, corporate service directors, executives, staffs and consultants. Composition, qualifications induction procedures, and rights and duties will always be matters of serious concern. 12. The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth and power; that the sufficient operating funds and reserves be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

## **THE IMPORTANCE OF “ANONYMITY”**

Traditionally, H.A. members have always taken care to preserve their anonymity at the public level: press, radio, television, and films. We know from experience that many people with drug problems might hesitate to turn to H.A. for help if they thought their problems might be discussed publicly, even inadvertently, by others. Newcomers should be able to seek help with complete assurance that their identities will not be disclosed to anyone outside the Fellowship.

We believe that the concept of personal anonymity has a spiritual significance for us: it discourages the drives for personal recognition, power, prestige, or profit that have caused difficulties in some societies. Much of our relative effectiveness in working with addicts might be impaired if we sought or accepted public recognition.

While each member of H.A. is free to make his or her own interpretation of H.A. Tradition, no individual is ever recognized as a spokesperson for the Fellowship locally, nationally or internationally. Each member speaks only for themselves.

Heroin Anonymous is grateful to all media for their assistance in strengthening and observing the Tradition of anonymity. When appropriate, the H.A. World Service Office sends to all major media a letter describing the Traditions and asking their support in observing it.

A H.A. member may, for various reasons, “break anonymity” deliberately at the public level. Since that is a matter of individual choice and conscience, the Fellowship as a whole has no control over such deviations from Tradition. It is clear, however, that they do not have the approval of the group conscience of H.A. members.

## **THE STRUCTURE OF HEROIN ANONYMOUS**

Heroin Anonymous is not organized in the formal or political sense. There are no governing officers, no rules or regulations, no dues or fees.

However, the need for services to addicts throughout the world is very important to the Fellowship. Inquiries from both within and outside the Fellowship have to be answered. Literature has to be written, printed and distributed, and requests for help be followed up.

The main service body of the Fellowship is H.A. World Service Board, which is based out of Phoenix, Arizona but has volunteers nationwide who maintain communications with local Groups and with persons outside the Fellowship who turn to H.A. for information on the program of recovery. H.A. Conference-approved literature and chips are prepared, published and distributed through this office.

The principal of consistent rotation of responsibility is followed by all H.A. service positions. The spirit of rotation is a vital principle within our service structure which allows for non-successive terms on all service positions. This enables more members to experience the true nature of service. Positions in the Service Structure are rotated according to a vote of the Service Structure. Representatives to the local service organization are voted on at the Service Structure level according to a schedule defined by each Service Structure. Officers of the service organization are elected based on the group conscience of that organization.

Formal organization is kept to a minimum at the local Group level. The Group may have a limited number of “officers” whose responsibilities include, but are not limited to, arranging meetings, providing refreshments, handling the Group's budget, and maintaining contact with the local service organization.

## SERVICE STRUCTURE OF HEROIN ANONYMOUS (CHART)

## STATEMENT OF POLICY

4. To avoid implied affiliation, when referencing the name Heroin Anonymous, the block letter HA, the official Heroin Anonymous logo, future variations of the logo, and the motto No More Suffering®, on publications such as flyers, newsletters, directories, the following disclaimer should be used: “In the spirit of Tradition Six, H.A. is not allied with any sect, denomination, politics, organization or institution.”
5. Any media (printed, electronic, or otherwise) to be made available by the group, district, or area, to the fellowship, shall have prior approval from the respective service body.

7. When incorporating, no individual or entity may use the name “Heroin Anonymous” alone or within the corporation name for incorporation purposes.

No other individual or entity may use the name “HEROIN ANONYMOUS”, the block letters “HA,” the official HEROIN ANONYMOUS LOGO, future variations of the logo, and/or the motto “NO MORE SUFFERING” without the written permission of the Heroin Anonymous World Service Board.

Heroin Anonymous groups, meetings and service committees should only use, display, distribute or sell the following literature and materials: the WSC Approved Literature set forth in the Appendix, the books “ALCOHOLICS ANONYMOUS,” “TWELVE STEPS AND TWELVE TRADITIONS,” and “The H.A. Service Manual, combined with the 12 Concepts For World Service,” and Heroin Anonymous World Service, Area, District and group/ meeting approved flyers, meeting directories and other materials displaying the H.A. logo as described above.

The Heroin Anonymous logo must be used in its entirety as shown below. The official logo includes the inner circle of the logo that contains the artistic “HA”, the outer circle which contains the text “NO MORE SUFFERING” or any H.A. WSC approved translation thereof. No other text or design element may touch, overlap or show through behind the logo other than a solid color. The block letters “HA” may only be used alone when they bear no resemblance to the inner circle type style of the official logo.

## **HEROIN ANONYMOUS AND H-ANON**

The relationship between the fellowships of Heroin Anonymous and H-Anon is a special one. As the disease of addiction affects many, our recovery process inherently affects many as well. Yet the Twelve Traditions, the General Service Boards and Service Conferences of both fellowships suggest that remaining “separate” makes each more effective. The policy of “cooperation but not affiliation” is recognized as important in maintaining separate fellowships. Consistent with that premise, Heroin Anonymous provides the following position regarding the relationship with H-Anon:

“While being mindful of the impact of our disease on those who care about us and the support we receive from them, we in Heroin Anonymous are guided by our Sixth Tradition. As such, we must ensure that our desire to cooperate with H-Anon in thought, action and spirit does not result in affiliation, either outright or implied.”

## **DEFINITION OF A HEROIN ANONYMOUS “GROUP”**

A meeting is when two or more people gather together to share their experience, strength and hope with each other.

A meeting may call itself a H.A. Group when:

1. The only requirement for membership is a desire to stop using heroin.
2. It is fully self-supporting.
3. Its primary purpose is to help addicts recover through the Twelve Steps of H.A.
4. It has no outside affiliations.
5. It has no opinion on outside issues.
6. Its public relations policy is based on attraction rather than promotion.

## **THE H.A. GROUP**

The basic unit in H.A. is the local Group, which is autonomous except in matters affecting other Groups or H.A. as a whole. The Group has but one primary purpose, which is to help others to recover through the suggested Twelve Steps. Each Group is self-supporting through its own contributions. As the Twelve Steps are our guide to recovery, the Twelve Traditions are our guide to Group unity, growth and discipline. Its members maintain their personal anonymity at the level of press, radio, television, and films.

The importance of the Group, what it constitutes and its functions cannot be stressed enough. Maintenance of our recovery depends on the sharing of our experience, strength and hope with each other, thus helping us to identify and understand the nature of our disease.

Most addicts in H.A. achieve and sustain their recovery as a result of their participation in the activities of the Group. The Group is the heart of Heroin Anonymous and it is vital to the new member. It is equally important to those who have achieved recovery as a result of the program. They may continue to participate and receive assistance from the Group. The Group's total responsibility is perhaps best expressed by the First Tradition:

“Our common welfare should come first; personal recovery depends upon H.A. unity.”

Most meetings follow a more or less set format, although distinctive variations have developed. It is our experience that many meetings begin or end with some form of prayer. While each H.A. group is autonomous, and adopts its own format, H.A. as such never endorses, opposes or affiliates, expressed or implied, with any sect, denomination, politics, organization or institution. A leader describes the H.A. program briefly for the benefit of the newcomers, and then turns the meeting over to a speaker or to participation.

Sometime during the meeting, there is usually a period for H.A. related announcements of interest to the meeting. A collection is taken to cover rent, literature and chips, refreshments and contributions to the District, Area and World Service Office as per the 7th Tradition. Many groups hold a business meeting monthly or at other intervals to discuss such items as: group

finances, distribution of 7th Tradition, meeting format, election of trusted servants, etc. It is suggested that records be kept of group business meeting decisions. Each group is autonomous, and the group conscience decides how business meetings may be conducted.

Those attending meetings are reminded that any opinions or interpretations they may hear are solely those of the speaker or participant involved. All members are free to interpret the recovery program in their own terms, but none can speak for the local Group or H.A. as a whole.

## **THE H.A. HOME GROUP**

A Home Group may be defined as a meeting a member regularly attends. The Home Group provides an opportunity to begin to be of service. Experience shows a Home Group is one of the vital components to continuous sobriety. In a Home Group members can participate in the business meeting and are able to cast their vote as a part of the group conscience.

### **MEETING/GROUP TYPES:**

OPEN: Attended by H.A. members, their families, friends and other interested people.

CLOSED: Attendance is limited to H.A. members only.

### **MEETING/GROUP STYLES:**

STEP STUDY: Participants study and discuss the Twelve Steps with the Group.

BOOK STUDY: Participants study and discuss with the Group any of these books: Alcoholics Anonymous (the “Big Book”), Twelve Steps and Twelve Traditions (the “12 and 12”), and The A.A. Service Manual, combined with the 12 Concepts For World Service”.

PARTICIPATION: Participants discuss their experience, strength and hope with the meeting/group one member at a time.

SPEAKER: One or more H.A. members share their personal experience, strength and hope with the meeting/group at length.

H&I MEETINGS: H&I meetings are often restricted to patients or residents only, and not open to the community as a whole. These meetings are brought into facilities by local H.A. members through the H&I committee. H&I meetings are basically beginners meetings; with the chairperson of each meeting providing the speakers. They are not usually listed in the area or world directory; and they do not observe the 7th Tradition. Certain facilities may require H&I participants to be subject to sobriety requirements, dress code, code of conduct, and in the case of jail or prison commitments additional requirements and/or declarations may be required.

ONLINE MEETINGS: Email meetings – These are email based and run 24 hours a day, 7 days a week. Voice meetings – These are voice only, voice over internet protocol meetings and are similar in format to face to face meetings.

## **GROUP SERVANTS**

“For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.” OUR SECOND TRADITION

H.A. groups may create such service positions, as they deem necessary to carry on the group functions with such job duties and sobriety requirements, as they feel appropriate. Such positions by way of illustration might include: Chairperson, Vice Chairperson, Literature, Coffeemaker/Hospitality, Greeter, etc. The suggested business positions of groups are:

## **GROUP SERVICE REPRESENTATIVE (GSR)**

Suggested sobriety time: One year

Term: One year

The GSR position is a very important service position for which a member can be elected. Great care should be taken with this choice; the quality of the District/Area Services and ultimately World Services can only be as good as those choices the individual Groups make. As with the Secretaries, GSR candidates should only accept positions for those Groups that they regularly attend. Regular attendance is to be defined by the groups. They are the ones who will carry the information back to the Group as to what is going on in our Fellowship on a District/Area level as well as the World level.

It should be understood that a GSR does not require Group approval to vote on matters affecting the Group or H.A. as a whole, although it is the GSR responsibility to vote mindful of the group conscience. (See: Concept 3). A good GSR is familiar with the H.A. World Service Manual and the Twelve Concepts of World Services. If the GSR cannot attend, an Alternate should attend. The person elected GSR should be trusted with the Group vote. Before accepting a nomination for GSR, the nominee must consider the level of commitment as well as the sacrifice of time involved.

Duties and Responsibilities:

1. Sees that the Traditions are followed within the Group.
2. Attends all appropriate business meetings.
3. Conducts communication between the Group, District and Area.
4. Reads/reviews communications from the District, Area and World Service.

## **ALTERNATE GSR**

The purpose and responsibility of the Alternate GSR is to assist the GSR and to assume the responsibilities of the GSR when necessary.

Suggested requirements and qualifications are the same as those for GSR.

## **SECRETARY**

Suggested sobriety time: Six Months

Term: One year

The Secretary is a trusted servant whose responsibility is to provide the Group with the leadership best suited to assist the recovery of the members through utilization of the H.A. Program.

Duties and Responsibilities:

1. See that the Traditions are being followed within the Group.
2. Follow the format in accordance with the group conscience.
3. See that the responsibilities of the other Group servants are met.
4. See that Seventh Tradition contributions of the members are collected and that a record is kept of the Group's income and expenses.
5. See that the Group is represented at the District or Area Service Meeting.
6. See that rent for the meeting space is paid and that the Group's monthly contribution is forwarded to the District, Area and/or World Service Office.
7. Keep an accurate, up-to-date record of changes of the group conscience.
8. Keep a record of each officer's election date.
9. Display H.A. literature and schedules.

## **GROUP TREASURER QUALIFICATIONS**

Suggested sobriety time: One Year

Suggested prior service time: Six Months

Term: One Year

Gainfully employed and/or financially solvent.

Duties and Responsibilities:

1. Keeps an accurate bookkeeping system. (See the "Group Treasurer's Record" form located in the Financial Guidelines for Groups, Districts & Areas of Heroin Anonymous. Pages 6-8)
2. When applicable, maintains Group bank account(s) with checks requiring two signatures.
3. Gives financial reports to the Group regularly.
4. Pays all Group expenses.
5. Passes on contributions to the District/Area and/or the World Service Office.
6. Collects and documents 7<sup>th</sup> Tradition money.

7. Collects and documents the H&I money (if H&I cans are passed at that meeting), and passes the H&I money onto the District or Area Treasurer, distinguished as H&I money.

## **DESCRIPTION OF A DISTRICT AND DISTRICT SERVICE COMMITTEE**

### **PREFACE**

The primary level of organization of Heroin Anonymous consists of the individual meetings/groups.

### **DISTRICT**

A District is a geographical unit within an Area containing a number of groups within a close proximity, which find it necessary to unify. A District has the primary function of the unification of its groups by keeping in frequent contact with them, learning their problems and sharing ways to contribute to their growth and well-being. It is suggested that two (2) or more groups comprise a District and that each two (2) groups elect a District Service Representative to sit on the Area Service Committee. When districting or re-districting, approval of the groups within each current or proposed District is essential. The proposed districting or re-districting should be approved by the Area Service Committee. As the number of groups within a District increases, the District should either split into two Districts or elect more District Service Representatives from such groups to the Area Service Committee.

A DISTRICT SERVICE COMMITTEE (DSC) is a group made up of the Group Service Representatives from the individual groups in the District, the District Service Representatives and the DSC officers. The DSC meets on a monthly basis to handle the business needs of the District. The DSC may create committees to service such needs as Telephone (Helpline), Public Information, CPC (Cooperation with the Professional Community), Hospitals and Institutions, Literature and Chips, and Special Events.

The most important function is to serve the needs of the local meetings. If a meeting has a situation it cannot handle, it can come to the District Service Committee. The active participation of each GSR is essential for a successful DSC.

Whatever endeavor or extracurricular activity is taken on by the District, they should at all times try to use or take advantage of Area resources, in order not to duplicate efforts or expenses already incurred by the Area.

### **Possible Voting Members:**

Officers of the DSC, Group Service Representatives, Alternate Group Service Representatives (optional); and other trusted servants.

**Voting Procedures:** Determined by District:

Voting examples can be found in the WSM WSC Parliamentary Procedure Guidelines.

## **OFFICERS OF THE DSC**

The District should elect officers yearly, which include:

1. Chairperson
2. Vice Chairperson
3. Secretary
4. Treasurer
5. District Service Representatives — one for every ten (10) groups in the District, elected by the groups' GSR
6. Alternate DSR (optional)
7. Chairpersons of District Service Standing Committees (optional) — elected by the respective standing committees and approved by the DSC

It is suggested that the district avail itself to an advisor position. This position may be filled by an H.A. Area Delegate or any trusted party possessing substantial experience with the Twelve Steps, Twelve Traditions, and Twelve Concepts of World Service, who may or may not be a member of Heroin Anonymous.

There should be one Group Service Representative (GSR) elected from each group. The DSC officers should be elected from among the active GSR. Upon election, the DSC officers shall no longer serve as GSR. Those groups, which they represented, must elect new GSR.

The District Service Representative (DSR) is the essential link between the groups' GSR and the Area's Delegates to the World Service Conference. As a member of the District Service Committee, the DSR is exposed to the group conscience of that District. As a member of the Area Service Committee, the DSR passes on the Group's tenets to the Area's Delegates and the Area Service Committee.

## **DESCRIPTION OF AN AREA AND AREA SERVICE COMMITTEE**

### **THE AREA**

An Area is usually a geographic unit with defined boundaries. The Conference may also recognize Areas whose boundaries do not fit a geographic description. The primary function of an Area is to serve the common needs of its District(s) and Group(s) and to facilitate unification of the Fellowship. A World Service Delegate comes from an Area.

As new Areas are created or if an established area changes its boundary definition, a “Petition to Become an Area” form must be submitted, and the creation or change must be recognized by the WSC. An area that desires to change its name only (without altering its existing boundaries), must first submit a “Petition to Change Area Name” form. The change must be recognized by the WSC. Any group or District seeking to change Areas must complete a “Petition for a District or Group to Change Areas” form, and the change must be recognized by the WSC. It is suggested that a copy of the Area/District minutes, showing separation has been addressed, be attached to any petition, when possible. For information on petition forms please contact a trustee or the WSO. These petitions may also be obtained online at <https://heroinanonymous.org/>.

The Area serves the Fellowship by distributing chips and literature, handling financial contributions of the Fellowship for that Area, and communicating with the H.A. World Service Office. The primary function of the Area is to serve the common needs of its District Members and to facilitate unification. The Area Service Committee should establish a permanent mailing address and bank account. If need arises, the Area should establish an Area Central Office. The Area should also stay in contact with the H.A. World Service Office for purposes of registering/updating its meeting information in the World Directory and communicating information regarding Area functions such as Service Conferences, Conventions, and other special events to promote and ensure unity within the H.A. Fellowship as a whole.

**PUBLIC INFORMATION:** Responsible for the distribution of literature and information to the public.

The committee informs the professional community about H.A.: what we are, where we are and what we can and cannot do to help the addict who still suffers. The committee attempts to establish communication between H.A. members and the professional community to find productive methods of cooperation, not affiliation, within the H.A. traditions.

**FUNDRAISER/ENTERTAINMENT COMMITTEE:** Responsible for the communication and outreach among the diverse elements within the Fellowship at all levels, in the interest of

carrying the H.A. message. It is also suggested that these committees sponsor annual workshops and other forums to promote H.A. unity.

**INFORMATION TECHNOLOGY COMMITTEE:** “The purpose of the committee is to serve as a resource for the H.A. service structure in areas of emerging technologies. In addition, we facilitate and assist Areas and Districts in approving their local websites, so that they may have a link directly from the H.A. web properties. The IT Committee, on an ongoing basis, works on adapting available technologies to better carry the message of H.A., while always keeping in mind the Twelve Traditions and Twelve Concepts of H.A., H.A. policies, privacy, and security.”

H.A.’s First Tradition:

“Our common welfare should come first; personal recovery depends upon H.A. unity.”

## **WORLD SERVICE CONFERENCE DELEGATE**

The Delegate's Job is a Spiritual One!

1. Conference Delegates are required to have a working knowledge of the Twelve Steps, the Twelve Traditions, the Twelve Concepts of Service and the World Services Conference Charter.
2. Attend the World Service Conference (WSC) prepared, in order to be able to vote knowledgeably. Conference Delegates should be present during all voting times until the end of Conference. Every Conference Delegate, after his or her election, will notify the World Service Office (WSO) in order to be placed on the mailing list and to receive all Conference materials, which require several hours of study.
3. After the Conference, the Delegate transmits the information back to his or her Area through Area and District Meetings as well as to individual Groups. It is important that the information about the WSO and WSC be passed on with enthusiasm, encouraging the continued health and growth of H.A.
4. Delegates shall encourage their Areas to generate funds to help support World Services.
5. Delegates must be prepared to attend District, and Area service meetings. They must understand the issues in their Areas to be better able to present them to the Conference.
6. Delegates cooperate with WSO by providing local meeting schedules and local H.A. information numbers.
7. Delegates provide H.A. leadership by helping to solve local problems involving the H.A. Traditions. In the spirit of this leadership need, it is suggested that, if possible, Delegates and Alternate Delegates not hold any other service commitments at the District or Area level. Further, in the spirit of rotation, wherever possible, Delegates should only serve one term and not consecutive terms.
8. Delegates visit Groups in their Districts/Areas and are sensitive to their needs and reactions. They should learn how the Groups have reacted to Conference reports. Delegates know communication is a two-way street, with information moving in both directions.
9. Delegates serve on a World Service Conference Committee and work closely with Committee members throughout the year. It is the Delegate's responsibility to work closely with other members of their WSC committee to ensure that it is in action throughout the year.
10. Delegates keep Alternate Delegates fully informed so that the Alternate can replace the Delegate in an emergency.
11. Delegates shall help all newly elected WSC Delegates from their Areas by passing on knowledge of WSC procedures.
12. They are also responsible for contacting the WSC secretary at least once per quarter to provide them with Area reports and updates.

## **PROCEDURES FOR DELEGATE/ALTERNATE ELECTION TO THE HEROIN ANONYMOUS WORLD SERVICE CONFERENCE**

1. Delegates and Alternate Delegates are to be elected to the WSC by each Area. Each Area shall have two (2) votes which may be carried by up to two (2) Area Delegates or Alternate Delegate(s), in person or by proxy, as set forth in the Standing Rules for the Heroin Anonymous World Service Conference. The number of delegates that an Area has is dependent on the amount meetings that the Area has per week (excluding H&I). See the list below to determine the number of votes your Area carries.

1-10 meetings – 2 delegates	36-50 meetings – 5 delegates
11-20 meetings – 3 delegates	51-76 meetings – 6 delegates
21-35 meetings – 4 delegates	76-125 meetings – 7 delegates

2. The purpose of the Alternate Delegate is to assist the Delegate and to assume the responsibilities of the Delegate when necessary. Suggested requirements and qualifications are the same as those for Delegates. Any Alternate who replaces the Delegate at the WSC will remain on the WSC mailing list as that Area's delegate for the balance of the unexpired portion of the original Delegate's term until the WSO is informed otherwise by the Area Chairperson. Such an Alternate Delegate succeeding to a Delegate position is eligible to run for election to a full Delegate term.
3. The Area must decide at the Delegate election who is eligible to be a Delegate and who is eligible to vote for the Delegate. It is suggested that the GSR, District Officers, Service Committee Chairpersons, Area Officers, and other members who are involved in H.A. service qualify for election. It is further suggested that Delegates have two years of continuous sobriety.
4. The Delegates and Alternate Delegates are to be elected for a term of four (4) Conferences, within a period of four (4) consecutive years. It is suggested that the spirit of rotation be followed.
5. When necessary, Delegate elections are to be held 120 days prior to the World Service Conference.

## **THE STRUCTURE OF WORLD SERVICES**

The following two branches of service within H.A. constitute World Services:

**WORLD SERVICE CONFERENCE**  
**WORLD SERVICE OFFICE BOARD**

The basic purposes of World Services are:

1. Communication
2. Coordination
3. Information
4. Consensus

The two branches are interrelated and work together to benefit all of H.A. Each branch functions within its own framework and guidelines.

Only at this level of World Services do we find service bodies designed to deal with situations that involve our entire Fellowship. Even though all parts of the service structure affect and are affected by the H.A. Fellowship, it is only at this level that decisions are made that affect H.A. as a whole. A new concept in service is found at this level; the concept of the non-addict servant. The non-addict servant has important professional and/or other valuable skills to benefit the Fellowship as a whole.

## **WORLD SERVICE CONFERENCE (WSC)**

The WSC is the nerve center and voice of our Fellowship. The WSC is the one time each year when all our service branches come together. Unlike all other branches of H.A. service, the WSC is not an entity, it is an event.

At the WSC, the Delegates, and the managers and Directors of the World Service Office meet to discuss ideas and direction for the Fellowship of H.A. as a whole. The WSC can last up to a week; however, the planning and implementation associated with the WSC is a year-round proposition.

The Conference Committee is to provide the planning, organization, logistics, and implementation of the Business Conference to include preparation of the agenda. The Conference Committee will determine the location of the Conference unless otherwise agreed upon by voting Conference members. All World Service Conference contracts must be ratified by the HAWSO Board and executed by two or more board members.

Each Delegate must be knowledgeable about the needs and feelings of their Area.

From general meetings at the WSC, the Conference divides into various committees where all suggestions, questions, and problems are discussed. These topics include all matters of importance to H.A. as a whole.

Each Delegate serves on a designated Conference Committee of his or her own selection. Any member of Heroin Anonymous may serve and vote on any World Service Conference Committee, however, each Participant is limited to voting in one committee. Non-delegates may serve as Committee officers. Non-Delegate chair expenses must be incorporated into the committee budget and approved by the committee. Then the approved budget is brought to the Conference floor by the Finance Committee as part of the complete World Service budget for approval. All committee budgets need to be submitted to the Finance Committee by 9 am of the last breakout committee work day.

Conference committee guidelines, policies and procedures are submitted to the Conference for approval, included in the Delegates notebooks, and are available to other interested members of the fellowship.

Conference Approved Literature – a full list of Conference approved literature appears in the appendix to this Manual.

The Conference Committees are:

1. Conference
2. Public Information
3. Literature, Chips and Formats
4. Hospitals and Institutions
5. Structure and Bylaws

6. Finance
7. Information Technology

2. Composition of World Service Conference: The World Service Conference shall be composed of Area Delegates, WSC Officers, Members of the WSOB, Staff Members of the WSO and any other members of the Fellowship of H.A. who wish to attend.
3. Conference Relation to H.A.: The WSC will act for H.A. in the perpetuation and guidance of its world services, and it will also be the vehicle by which the H.A. movement can express its view upon all matters of vital H.A. policy and all hazardous deviations from H.A. Tradition. Delegates should be free to vote as their conscience dictates; they should also be free to decide what questions should be taken to the Group level, whether for information, discussion, or their own direct instruction.
4. But no change in Article 10 of the Charter or, in the Twelve Traditions of H.A., or in the Twelve Steps of H.A. may be made with less than the written consent of three-quarters of the H.A. Groups.

7. It will be further understood, regardless of the legal prerogatives of the WSOB, as a matter of traditions, that a three-quarters vote of all the voting Conference members registered and present may bring about a reorganization of the WSOB, its Directors and staff members of its corporate services, if or when such reorganization is deemed essential. The term "reorganization" shall mean the removal of one or more WSOB director or corporate member.
8. Under such a proceeding, the WSC may:

Area Delegate elections may be held as needed, up to 120 days prior to the next World Service Conference.
10. Term of Office of Delegates: The Area Delegates are to be elected for a term of four (4) Conferences. It is suggested that the spirit of rotation be followed.
11. Annual Meeting: The Conference will meet at least once a year unless otherwise agreed upon by voting Conference members. Special meetings may be called as necessary by voting Conference members. The Conference may also render advisory opinions at any time by e-mail or telephone poll in aid of the WSOB or its related services.

The World Service Office Board is the chief service arm of the Conference and is essentially custodial in its character.
13. Except for decisions upon matters of policy, finance, or H.A. Tradition, liable seriously to affect H.A. as a whole, The WSOB has entire freedom of action in the routine conduct of the policy and business affairs of the H.A. service corporations and may name suitable committees and elect Directors to its subsidiary corporate service entities in pursuance of this purpose
14. Except in great emergency, neither the World Service Office Board nor any of its related services ought never to take any action liable greatly to affect H.A. as a whole without first in pursuance of this purpose.
15. The World Service Conference: Its General Procedures: The Conference will hear the financial and policy reports of the World Service Office Board and its related corporate services. The Conference will advise the WSOB and staff members upon all matters presented as affecting H.A. as a whole, engage in debate, appoint necessary committees, and pass suitable resolutions by a two-thirds majority of voting members present for the advice or direction of the World Service Office Board and its related services.

19. The Conference at the close of each yearly session will draft a report of its proceedings, to be supplied to all Delegates and committee members; and also a condensation thereof, which will be sent to H.A. Areas throughout the world.
20. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the H.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Heroin Anonymous which perform any acts of government; and that, like the Fellowship of Heroin Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

## BYLAWS OF HEROIN ANONYMOUS WORLD SERVICES, INC.

The Board of Directors of Heroin Anonymous World Services, Inc. (hereinafter referred to as the “World Service Board” or “W.S.B.”) has but one purpose — that of serving the Fellowship of Heroin Anonymous. It is in effect an agency created and designated by the World Service Conference of Heroin Anonymous to maintain services for those who seek, through Heroin Anonymous, the means for arresting the disease of heroin addiction through the application to their own lives, in whole or in part, of the Twelve Steps which constitute the recovery program upon which the Fellowship of Heroin Anonymous is founded. These Twelve Steps are as follows:

1. We admitted we were powerless over heroin and other opiates — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

<sup>4</sup> THE TWELVE STEPS OF ALCOHOLICS ANONYMOUS: 1. We admitted we were powerless over alcohol— that our lives had become unmanageable. 2. Came to believe that a Power greater than ourselves could restore us to sanity. 3. Made a decision to turn our will and our lives over to the care of God, as we understood Him. 4. Made a searching and fearless moral inventory of ourselves. 5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs. 6. Were entirely ready to have God remove all these defects of character. 7. Humbly asked Him to remove our shortcomings. 8. Made a list of all persons we had harmed, and became willing to make amends to them all. 9. Made direct amends to such people wherever possible, except when to do so would injure them or others. 10. Continued to take personal inventory, and when we were wrong promptly admitted it. 11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The World Service Board claims no proprietary right in the recovery program, for these Twelve Steps, as all spiritual truths, may now be regarded as available to all mankind. However, because these Twelve Steps have proven to constitute an effective spiritual basis for life which, if followed, arrests the disease of addiction, the World Service Board asserts the negative right of preventing, so far as it may be within its power so to do, any modification, alteration or extension of these Twelve Steps, except at the instance of the Fellowship of Heroin Anonymous in keeping with the Charter of the World Service Conference of Heroin Anonymous as the same may from time to time be amended (hereinafter referred to as the “Charter”).

Members of the World Service Conference of Heroin Anonymous are hereinafter referred to as “Conference Delegates.”

The World Service Board in its deliberations and decisions shall be guided by the Twelve Traditions of Heroin Anonymous, hereinafter referred to as the “Traditions” which are as follows:

1. Our common welfare should come first; personal recovery depends upon H.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for H.A. membership is a desire to stop using cocaine and all other mind-altering substances.
4. Each group should be autonomous except in matters affecting other groups or H.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the addict who still suffers.
6. A H.A. group ought never endorse, finance or lend the H.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every H.A. group ought to be fully self-supporting, declining outside contributions.
8. Heroin Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. H.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Heroin Anonymous has no opinion on outside issues; hence the H.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, television and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

<sup>5</sup>THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS: 1. Our common welfare should come first; personal recovery depends upon A.A. unity. 2. For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern. 3. The only requirement for A.A. membership is a desire to stop drinking. 4. Each group should be autonomous, except in matters affecting other groups or A.A. as a whole. 5. Each group has but one primary purpose – to carry its message to the alcoholic who still suffers. 6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose. 7. Every A.A. group ought to be fully self-supporting, declining outside contributions. 8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers. 9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve. 10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films. 12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

The World Service Board shall use its best efforts to insure that these Twelve Traditions are maintained, for it is regarded by the Fellowship of Heroin Anonymous as the custodian of these Traditions and, accordingly, it shall not itself nor, so far as it is within its power so to do, permit others to modify, alter, or amplify these Traditions, except in keeping with the provisions of the Charter.

The World Service Board also shall be guided by the spirit of the Twelve Concepts of Heroin Anonymous, hereinafter referred to as the “Concepts” which are as follows:

1. The final responsibility and the ultimate authority for H.A. World Services should always reside in the collective conscience of our whole Fellowship.
2. The H.A. Groups delegate to the World Service Conference the complete authority for the active maintenance of our world services and thereby make the Conference — excepting for any change in the Twelve Traditions — the actual voice and the effective conscience for our whole Fellowship.
3. As a traditional means of creating and maintaining a clearly defined working relation between the Groups, the Conference, the World Service Office Board and its service corporation, staffs, and committees, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional “Right of Decision.”
4. Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our World Service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.
6. On behalf of H.A. as a whole, our World Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the World Service Board of Heroin Anonymous.
7. The Conference recognizes that the Charter and the Bylaws of the World Service Board are legal instruments; It is further understood that the Conference Charter itself is not a legal document; that it relies instead upon the force of tradition and the power of the H.A. purse for its final effectiveness.
8. The WSOB acts in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the WSOB is mainly that of custodial oversight which they exercise through their ability to elect all Directors of these entities.

9. Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety.
10. Every service responsibility should be matched by an equal service authority — the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.
11. While the WSOB holds final responsibility for H.A.'s world service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the system of their rotation, the way in which they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious care and concern.
12. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the H.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that the sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Heroin Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Heroin Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

<sup>6</sup>THE TWELVE CONCEPTS OF ALCOHOLICS ANONYMOUS: 1. Final responsibility and ultimate authority for A.A. world services shall always reside in the collective conscience of our whole Fellowship. 2. The General Service Conference of A.A. has become, for nearly every practical purpose, the actual voice and the effective conscience for our whole Society in its world affairs. 3. To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporation, staffs, committees, and executives with traditional "Right of Decision." 4. At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge. 5. Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration. 6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised primarily by the trustee members of the Conference acting as the General Service Board. 7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct all of the world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness. 8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities. 9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustee. 10. Every service responsibility should be matched by an equal service authority, with the scope of such authority

always well defined. 11. The Trustees should always have the best possible committees, corporate service directors, executives, staffs and consultants. Composition, qualifications induction procedures, and rights and duties will always be matters of serious concern. 12. The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth and power; that the sufficient operating funds and reserves be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

In some instances, the Concepts refer to practices or customs, which may change with the passage of time. The World Service Board should make allowances for such changes in observing the spirit of the Concepts.

The members of the Board, subject to the laws of the State of Arizona, are expected to exercise the powers vested in them by law in a manner consistent with the faith that permeates and guides the Fellowship of Heroin Anonymous, inspired by the Twelve Steps of Heroin Anonymous, in accordance with the Twelve Traditions and the Conference Charter of Heroin Anonymous.

The World Service Board may set up new corporate bodies to serve the purpose of Heroin Anonymous, provided the World Service Board shall own all the capital stock of such corporate bodies, and its structure shall be in keeping with that of the World Service Board of Heroin Anonymous. Manifestly, the World Service Board is expected to refrain from forming any new corporate body if a majority of the Conference Delegates shall disapprove of its formation.

The President shall have those duties generally attributable by law and custom to a President under the laws of the State of Arizona, with such other greater or lesser duties as may from time to time be determined by the World Service Board.

The Vice President shall perform the duties of the President in the event of his or her absence or disability. The Secretary and Treasurer shall similarly perform those duties generally attributed by law and custom to such offices.

At least 10-days notice of the time and place of all meetings shall be given by mail signed by the President, or, at his or her request, by the Secretary. The President, at the time of the mailing of notices, shall determine the order in which matters shall be dealt with at all meetings, and he or she, or a majority of the World Service Board present at any meeting may decide to modify such order.

Whenever a mail vote is taken of Conference Delegates, at least two-weeks notice shall be given, and the vote shall be determined in keeping with an analysis of such vote by the President and Secretary, or in their absence, by the Vice President and Treasurer, at the end of such two-week period. An announcement of the result of such vote shall thereupon be mailed by the Secretary or Treasurer to Conference Delegates and to the World Service Board.

No member of the World Service Board shall at any time have any right, title, or interest in and to the funds or property of Heroin Anonymous World Services, Inc.

## WSC PARLIAMENTARY PROCEDURE GUIDELINES

(Adapted From Robert's Rules of Order)

The purpose of parliamentary procedure is ...“to permit a majority to accomplish its ultimate purpose within a reasonable period of time but only after allowing the minority reasonable opportunity to express its views on the question at issue.”

- Lehr Fess, Former Parliamentarian, U.S. House of Representatives

This brief summary of parliamentary procedure, drawn largely from Robert's Rules of Order, was prepared for use at the World Service Conference. The Conference believes that it may also be of use to Areas and Districts. Please use it in the spirit that it is intended; to aid in the orderly conduct of business meetings. It does not replace or take precedence over a charter, bylaws, standing rules, or the principles upon which the traditions, the steps and the Twelve Concepts for Service are based.

A potential exists for one or more people to use parliamentary procedure to control and/or otherwise manipulate a group away from its intention. Scrupulous and incessant attention to principle is the only way to prevent these guidelines for business meetings from being used to circumvent or unjustly influence the Group Conscience.

### RECOGNITION

A member desiring to speak or make a motion shall raise their hand until recognized by the Chairperson. For motions not requiring recognition, the member must stand and speak, interrupting the current speaker. The ONLY motions where this is in order are:

1. The Motion to Reconsider;
2. Objection to Consideration;
3. Appeal from Decision,
4. To Rise to a Point of Order; and
5. Parliamentary Inquiry.

### MAIN MOTIONS

A Main Motion is any motion that brings business before the Conference. Main Motions must be seconded, are debatable and require a majority vote for adoption. Main Motions should be simply worded and not include arguments for their adoption. Complicated or long motions may be divided by a Motion to Divide so that portions of the Main Motion may be debated and voted upon separately.

### FRIENDLY AMENDMENT

The offering and acceptance of “friendly” amendments is a regular practice on the Conference floor. Speakers are permitted to suggest changes to the wording, grammar, punctuation or minor changes in the content of Main Motions As practiced by the Conference, if accepted by the

maker of the Main Motion and there are no objections from the floor, the changes are added to the Main Motion without a separate vote. If there is an objection, a Motion to Amend may be made.

## AMEND

Main Motions and the Motions to Limit Debate and Refer to Committee may be amended. Motions to Amend must be seconded, are debatable and require a majority vote for their adoption. Amendments to amendments are permitted but an amendment to an amendment may not be amended.

## LAY ON THE TABLE

A motion tabled may not be taken from the table the same day. “Tabling” therefore has the effect of postponing action on the motion in question. The Motion to Table requires a second, but is not debatable. It requires a majority vote to Table.

## REFER TO COMMITTEE

Motions may require the attention of a standing committee (which always exists) or an ad hoc committee (created for a special purpose). The Motion to Refer must be seconded, is debatable and requires a majority to adopt. A motion “referred to committee” may be renewed on the floor after review by the committee.

## CLOSE (OR LIMIT) DEBATE

Otherwise known as “Calling the Question,” the motion to Close Debate and vote immediately on the Main Question requires a second, is not debatable and requires a 2/3rds majority to pass. The Motion to Limit Debate to, for example, 20 minutes, applies only to the Main Motion being considered and requires a 2/3rds majority.

## WITHDRAW THE CURRENT MOTION

A member making a motion may decide, after it has been seconded that they wish to withdraw the motion. The Chairperson will ask for objections. If there are any, the Chair will call for a vote on whether to allow the motion to be withdrawn. The Withdraw Motion is not debatable and requires a majority of those voting for adoption.

## RECONSIDER

A Motion to Reconsider a previous vote, if successful, returns the previous motion to the floor as if no vote had ever been taken, and debate begins anew. The motion to Reconsider may only be made and seconded by members who voted with the prevailing side. The Motion to Reconsider must be made in the same day as the motion being reconsidered. It is debatable, if the motion to which it applies was debatable. Adoption of a motion to Reconsider requires a simple majority vote. No motion may be twice reconsidered.

## RESCIND (PASSED MOTION)

The Motion to Rescind, unlike the Motion to Reconsider, overturns the passage of the previous motion. If the Motion to Rescind succeeds, the affected motion (which previously passed) now fails. Any member may make or second a Motion to Rescind, and it may apply to any motion passed at any time during the Conference. It requires a second and is debatable. It requires a 2/3 vote, to pass unless at least one day's notice is given of the attempt to rescind. If previous notice is given, only a simple majority is required to adopt.

## SUSPEND THE RULES

This Motion must be qualified by stating why the rules should be suspended, i.e. to consider a motion out of order of the agenda or accepted procedure. Suspending the rules may not be used to bypass the charter or bylaws, but may be used to suspend the effect of standing rules or previous motions only when passed by a 2/3rds majority. "Simple" suspensions, which are used to consider a motion out of its order in the agenda, require a simple majority. Neither motion is debatable; both require a second and are in effect only until the reason for suspension is resolved.

EXAMPLE: I move we suspend the rules to elect a new Conference Committee Chairperson before taking action on the Conference Committee's recommendations. (Requires simple majority)

EXAMPLE: I move we suspend Standing Rule #11 to allow a motion to be displayed using an overhead projector. (Requires 2/3 majority)

## OBJECTION TO CONSIDERATION

Occasionally, a ridiculous, offensive or repugnant motion is made by an obstreperous member to insult or otherwise waste the Conference's time. A member may rise without being recognized, saying, and "Madame /Mr. Chairperson, I object to the consideration of this motion." This motion requires no second and is not debatable. The Chairperson must immediately call for a vote. If more than one third vote for the consideration of the motion, the objection is overruled.

## APPEAL FROM DECISION

Any decision by the Chairperson (or Parliamentarian) may be appealed. The appeal is debatable only if the challenged decision refers to a debatable motion. The appeal requires a second and a majority vote reverses the decision of the Chair. All appeals must be made immediately after the decision in question.

## REQUESTS AND INQUIRIES

1. Parliamentary Inquiry- A member who has a question regarding parliamentary procedures, rules of order, and items in the World Service Manual or parliamentary strategies may make a parliamentary inquiry of the chair. Without being recognized by the chair, a member may rise saying "Madame/Mr.

2. Chairperson, I have a parliamentary inquiry”. The question must be related to the business at hand and asks for the opinion of the chair. It is not a ruling of the chair and cannot be appealed. If a motion is made despite the chair’s opinion, and the chair then rules the motion out of order, that ruling may be appealed.
3. Point of Order- A member who feels that the parliamentary procedure is out of order may rise saying “Madame/Mr. Chairperson, I rise to a point of order!”. When the chairperson asks for his/her point, (s)he states where a motion is out of order, where a parliamentary procedure is incorrect, where a proposed motion violates the charter, a previously enacted bylaw, a standing rule or a motion. The Chairperson immediately rules on the validity of the point, subject only to appeals.
4. Point of Information- A “Point of Information” is a request for information about a motion or the suspected impact of a motion being considered.

#### MOTION TO ADJOURN (RECESS)

The Motion to Adjourn is debatable only when there are no other motions before the Conference. It is in order only when the time for the next meeting has been determined. To adjourn for a short period (Recess), the motion to Recess may be made. The duration of the Recess is required in the motion. It is advisable that the reason for the Recess be stated.

EXAMPLE: I move we recess until 1 PM for lunch.

EXAMPLE: I move we recess for 15 minutes to get coffee.

#### RULES FOR VOTES ON MOTIONS

#### QUORUM

A quorum shall be defined to be 2/3 of the Conference votes present at Roll Call for that particular Conference Session. The membership of the Conference shall be determined by a call of the roll at the first regularly scheduled session of each Conference day. It is the Chairperson's responsibility to verify that a quorum is present whenever there is a vote on any motion. A member doubtful of the quorum may rise to a Point of Order by saying, “I question the quorum” or “I challenge the quorum.” Rules and precedence are the same as for Rise to a Point of Order.

NOTE: A quorum is not necessary for discussion, debate, or committee reports.

#### PASS/FAIL

A simple majority is defined to be 50 % plus 1 of votes cast excluding abstentions. Most motions require only a simple majority. The following motions require a 2/3rds margin:

- Motion to Close (or Limit) Debate
- Motion to Suspend the Rules (Charter or Bylaws)
- Motion to Object to the Consideration

Determination of whether a motion passes or fails shall be as follows:

If AYES > NAYS then Motion passes.  
If AYES < NAYS then Motion fails.  
If AYES = NAYS then Chairperson casts deciding vote.

METHODS: Voting shall be by one of five methods.

1. Voice: If the Chairperson or a member is in doubt of the outcome, either may call “Division” of the House. The Chairperson will then call for show of Hands.
2. Hands: The Chairperson makes a visual inspection of hands raised for and against and declares the result. Questionable results will be counted.
3. Count: The Chairperson shall appoint two assistants to help count the votes. When all three counters agree, the outcome will be announced.
4. Secret: Rarely used, but the Chairperson may call for a ballot where the anonymity of votes is considered important.
5. Electronic: To be used at the discretion of the Chairperson

The Chairperson decides which method of voting will best serve the interests of the Conference, except when a Division of the House is called.

## ELECTIONS

The Chairperson shall call for elections where necessary or as the agenda specifies. The procedure shall be to ask for nominations from the floor. Nominations must be seconded. After a cogent pause in nominations, the Chairperson shall ask someone to move that nominations be closed. This requires a second before voting. The Chairperson shall determine if those nominated shall speak. The election shall proceed after the candidates have left the room. If one candidate does not receive a majority of the votes, the two receiving the most votes shall remain outside the room while a runoff election is held. If a secret ballot is held, it is not necessary for the candidates to leave the room.
